While you are looking around for your winter Boots and Shoes don't fail to drop in and see Schaphire.

Our carding machine will be closed in ten days. Bring on your wool to be carded at once.

HARTFORD WATER MILL.

One who shows, the hustling salesman, is with the Cash Store—J. R. Foster—who will sell you more goods for one dollar than any other house.

The Herald is better prepared to do this job than any other outlet in the large cities in the State. Give us your order for any kind of printing.

Mr. S. L. Baird, living near town, has presented Ten Herald with the champion best of the season. It is a fine bird, and the people are beginning to realize that they need longer to without a good newspaper, every quality of which they find fully contained in Ten Herald.

Photographer A. D. Taylor can be seen each Saturday morning till 11 o'clock. If you want fine cabinet photos, call and see him.

Fudge W. L. Hawkins, of Pleasant Ridge, while on his way to visit his daughter in Davis county last Tuesday, was struck with partial paralysis. He is getting along very well and is able to go about.

Ed. I. H. Teel, of the Christian Church, will fill his regular appointment in Hartford next Sunday, morning and night. In the afternoon at 6 o'clock he will preach at Alexander schoolhouse.

The Ohio County Sunday School Convention will convene in Fordsville on Friday and Saturday before the third Sunday in this month. All Sunday schools of the county are requested to send delegates.

The prayer meeting at the Cumberland Church in Hartford has been changed from Tuesday night to Monday night, of each week, which it is hoped will increase the attendance and be of general benefit.

Attorney W. T. Hayward has moved with his family to Louisville and will continue to practice his profession in that city. Mr. Hayward is a young lawyer of much ability, and his many friends in Hartford, although regretting to lose him, wish him much success in the Falls City.

Hartford Lodge No. 675, F. & A. M., will meet in call session Monday night, the 10th inst., to confer the third degree on a couple of candidates. Hon. T. S. Pettitt and Mr. R. A. Fook, two very bright members of Owensboro, will have charge of the work. Quite a number of members from neighboring lodges are expected to attend.

A daily overland mail has been established between here and Owensboro which will make its first trip last Monday. It will be in charge of Mr. T. H. Hoover, who has been carrying the regular tri-weekly mail, and will be of great convenience to the towns along the route—Beda, Burford, Pleasant Ridge and Massillon—giving them the benefit of modern conveyance, which is justly due these thriving little towns.

The people of Hartford and vicinity will be gratified to learn that Dr. W. Ford, who for some years has practiced his profession so successfully in the north end of the county, will come to Hartford this week to make his home here in the future. His long and successful career in the practice of medicine, in which he has already attained so good a reputation, Dr. Ford is to be well welcomed by his many friends in the county. We predict for Dr. Ford a useful and successful life among the people of Hartford.

Mr. Ed P. Moore and Miss Della Shultz will be married at the residence of the bride near Sulphur Springs, this evening. Mr. Moore is well and ably known to Hartford people, having lived here with his father's family a number of years, and is a young man of much ability and promise. The bride is the daughter of Mr. Z. W. Shultz, a sister of our worthy County Superintendent, and a lovely young lady who has made many friends. The ceremony will be held at a host of other good wishes for these excellent young people.

Col. A. H. Dent, of the United States Life Insurance Company, went to Pleasant Ridge yesterday to get up the death claim of Mr. Wm. R. (Tony) Jones, of that place, who died a few days ago, holding a policy of \$10,000 with Mr. Dent's company. The United States is always reliable and prompt in all matters of this kind. People who seek life insurance should make well known and unquestioned reliability a prerequisite. No company in the country is more thoroughly so than that represented by Col. Dent. It is a matter about which too much care cannot be exercised.

Mr. Berry W. Rial and Miss Bertie J. Ward were married at Wesley Chapel, this county, last Sunday evening, after a courtship of several months. Mr. Rial is a genial young man of splendid personal traits who has by energy and nearly effusive attentions won a competent, for his bride, who has a credit. His bride is a young lady of rare personal attractions, who has by her modest and womanly life made many warm friends and will gracefully adorn the man of wife. The Herald congratulates this excellent young couple and wishes them much happiness in the married state.

Everywhere where ability and character are recognized and appreciated, Kentuckians may be depended upon to take and hold rank with the best of the people of the earth. At a convention of the Democratic of Kentucky, Mr. J. M. Mans, held last week, the official conduct of Miss Josie Deak, formerly of this place, was most heartily endorsed and she was given by acclamation the nomination of her party for re-election to the office of Superintendent of Schools. This was most flattering approval of her conduct of a difficult office and will be received with pride by her many friends here.

Dr. J. M. Padgett was the victim of an accident last Saturday morning, near Pleasant Ridge, when he was riding on a horse. He was thrown from the horse and sustained a fracture of the right leg, which is so badly injured that it is doubtful if he will be able to walk again. He is now in the hands of the doctors, and it is hoped that he will be able to walk again.

Senator Blackburn will speak at the court house here Thursday, the 11th.

The Fair. The Ohio County Fair closed a very successful meeting last Saturday. The crowds were good especially the last day, and the Company finds no cause for complaint. The weather during the week was exceptionally fine and bright, and the dust, there was no inconvenience experienced by those attending. Perhaps the finest lot of stock ever shown in this county, and the exhibition of any former Fair and the racing was excellent. Next year racing will be made a special feature and will attract the entire attendance of each day.

Fairal Hall was well patronized and we were close competitors in many of the events. The business house of Hartford did a good business, the Fair was an entire success, and the week ended off very pleasantly.

The Speaking Monday. Hon. A. H. Montague spoke to a large crowd here Monday and to a good crowd at Bella Run yesterday. This afternoon he will address the citizens of Hartford, and it is expected that he will speak at Rockport.

His speech was an able, straight-forward and manly presentation of the political situation as viewed from a Democratic standpoint. He treated in most gentlemanly way the cowardly attacks which John W. Lewis has persisted in making upon him in his absence and discussed at length the merits and demerits of the present tariff bill and the acts of the last Congress. His address was well received and made votes for him and his party.

THE CELEBRATED Horsehoe brands of Rawhove and Wheat Grower are the genuine goods with no adulteration. In buying them you get "dry" net weight and more "plant food" for the money than on other goods. There is no experiment, and the price has been reduced to suit the times. We have determined to meet any competition at the lowest prices, and goods that need no recommendation. Send in, what will surely advance and the crop must not be neglected. HOCKER & CO.

October 10th, Thursday of next week, Senator J. C. S. Blackburn, one of the most gifted orators on the continent, will address the voters of Ohio county at the court house in Hartford. Every citizen is invited to be present.
